

## 20 OCTOBER '21 VIRAL INFECTION IN THE ICU

08h30 - 09h00	KEYNOTE LECTURE: <b>IN MEMORIAM - A REVIEW OF COVID 19, 2020/21.</b> José Artur Paiva <b>Moderator: Paulo Mergulhão</b>
09h00 - 10h15	ROUND TABLE: <b>OUTCOME IN CRITICAL COVID 19.</b> <b>Moderators: José Manuel Pereira   Philip Fortuna</b> -Outcomes of patients requiring invasive mechanical ventilation. <b>Rui Pereira</b> -Decreasing mortality: what to use and when? <b>Marius Troseid</b> -Overuse of antibiotics? Focus on appropriate diagnosis. <b>Rafael Canton</b>
10h15 - 10h45	COFFEE-BREAK
10h45 - 12h00	ROUND TABLE: <b>NOSOCOMIAL INFECTION IN CRITICAL COVID 19.</b> <b>Moderators: Carlos Alves   Dulce Pascoalinho</b> -Is ventilator associated pneumonia really a specific issue? <b>Ignacio Martin-Loeches</b> -What about invasive fungal infection? <b>Márcio Borges-Sá</b> -A practical approach to nosocomial infection. <b>Nuno Príncipe</b>
12h00 - 12h30	SIMPOSIO MSD - Key Note Lecture  <b>Moderator: Carla Mimoso</b> <b>MDR MICROORGANISMS. CAN THE FUTURE BE BRIGHTER? RESULTS FROM THE STEP 2 STUDY.</b> Rafael Canton
12h30 - 13h00	<b>CMV INFECTION - CLINICAL CASE AWARDS 2021.</b> <b>Moderator: Ana Lebre</b>
13h00 - 14h30	LUNCH
14h30 - 15h00	KEYNOTE LECTURE: <b>Moderator: José Artur Paiva</b> <b>IS THIS THE DAWNING OF A NEW ERA IN RESEARCH?</b> Marius Troseid
15h00 - 16h30	<b>VIRAL INFECTION IN THE ICU: BEYOND SARS-COV-2</b> <b>Moderators: Márcio Borges-Sá   Nuno Pereira</b> -Viral reactivation syndromes in critically ill patients. <b>Sérgio Paulo</b> -When to look for viral etiology in critically ill patients with respiratory infections? <i>TBA</i> -Preparing for the next pandemic: lessons learned. <b>Antonio Diniz</b> -Antiviral drugs in the pipeline. <b>Andre Kalil</b>
16h30 - 17h00	COFFEE BREAK
17h00 - 17h30	<b>GRAM-NEGATIVE INFECTION - CLINICAL CASE AWARDS 2021</b> <b>Moderator: Paulo Mergulhão</b>
17h30 - 18h30	<b>MEET THE EXPERT – HOW TO USE RESPIRATORY SUPPORT? LESSONS FROM COVID PANDEMIC.</b> <b>Moderator: João Gonçalves Pereira</b> <b>Philip Fortuna   Nuno Príncipe</b>
18h30	<b>CLINICAL CASE AWARDS 2021. PRIZES</b>

## 21 OCTOBER '21 SEPSIS AND CANCER PATIENTS

08h30 - 09h45	<p>ROUND TABLE: <b>MANAGEMENT OF INFECTION IN CRITICALLY ILL CANCER PATIENTS</b></p> <p><b>MODERATORS:</b> André Mansinho   Carla Mimoso</p> <ul style="list-style-type: none"><li>-Is de-escalation safe? <b>Djamel Mokart</b></li><li>-The Carbapenemase producing Enterobacteriaceae epidemic. <b>Cláudia Nazareth</b></li><li>-Antifungal therapy in neutropenic patients: when and how? <b>Isabel Sousa</b></li></ul>
09h45 - 11h15	<p>ROUND TABLE: <b>TOUGH CALLS IN ONCOLOGY</b></p> <p><b>MODERATORS:</b> Diogo Branco   Paulo Mergulhão</p> <ul style="list-style-type: none"><li>-The epidemiology of cancer patients requiring ICU admission. <b>André Gomes</b></li><li>-Management of Blood Stream Infection in hemato-oncology: a role for Artificial Intelligence? <b>Carolina Vidal-Garcia</b></li><li>-Referencing And Admitting The Oncology Patient To Intensive Care. <b>Nuno Bonito</b></li><li>-End-of-life infection: Ethical boundaries. <b>Iuri Correia</b></li></ul>
11h15 - 11h45	COFFEE-BREAK
11h45 - 13h00	<p>ROUND TABLE: <b>SURGICAL SITE INFECTIONS.</b></p> <p><b>MODERATORS:</b> Guilherme Tralhão   Ana Lebre</p> <ul style="list-style-type: none"><li>-Reducing incidence and antibiotic overuse. <b>Aldara Faria</b></li><li>-When is source control an emergency? <b>Philip Montravers</b></li><li>-Is there a role for Anti-Fungal heterogeneity? <b>Dulce Pascoalinho</b></li></ul>
13h00 - 14h00	LUNCH
14h00 - 14h30	<p>KEYNOTE LECTURE:</p> <p><b>MODERATOR:</b> Noémia Afonso</p> <p><b>THE GLOBAL BURDEN OF SEPSIS.</b> Paulo Mergulhão</p>
14h30 - 15h45	<p>ROUND TABLE: <b>RISK ASSESSMENT IN SEPTIC CANCER PATIENTS.</b></p> <p><b>MODERATORS:</b> Ana Joaquim   Filomena Faria</p> <ul style="list-style-type: none"><li>-Business as usual? <b>Thiago Lisboa</b></li><li>-The role of rapid response systems. <b>Márcio Borges-Sá</b></li><li>-Can we monitor immune function in non-neutropenic patients. <b>Susana Fernandes</b></li></ul>
15h45 - 16h15	<p>CONFERENCE:</p> <p><b>MODERATOR:</b> Ana Raimundo</p> <p><b>CYTOKINE STORM SYNDROME AND OTHER COMPLICATIONS OF INNOVATIVE CANCER TREATMENTS.</b> Colleen McEvoy</p>
16h45 - 17h15	COFFEE-BREAK
17h15 - 18h30	<p><b>HEMATOPOIETIC GROWTH FACTORS.</b></p> <p><b>MODERATORS:</b> Emília Cortesão   André Gomes</p> <ul style="list-style-type: none"><li>-The hematologist view. <b>Ricardo Pinto</b></li><li>-The Intensivist view. <b>Elie Azoulay</b></li><li>-The immunologist view. <b>Santos Rosa</b></li></ul>

## 22 OCTOBER '21 INFECTION AND SEPSIS HOT TOPICS 2021

08h30 - 09h45

ROUND TABLE: **SEPSIS PHENOTYPES: FROM BENCH TO BEDSIDE.**

**MODERATORS:** André Simões | Susana Fernandes

-Are we closer to truly personalized care? Rui Moreno

-Tailoring antibiotics to patient and bacteria. Joao Pedro Baptista

-Artificial Intelligence and Sepsis recognition. Márcio Borges-Sá

09h45 - 10h15

CONFERENCE:

**MODERATOR:** Cristina Nunes

**SEPSIS IS A CHRONIC DISEASE: POST INTENSIVE CARE SYNDROME AND BEYOND.** João Gonçalves Pereira

10h15 - 10h45

COFFEE-BREAK

10h45 - 12h00

**THE GLOBAL THREAT OF SEPSIS**

**MODERATORS:** João Vilaça | Joana Fernandes

-Sepsis in Lower Income Countries: what can be / is being done? Cristina Nunes

-Sepsis and Antimicrobial Resistance: twin threats with parallel responses? Rafael Zaragoza

-Early recognition remains the key issue. Ricard Ferrer

12h00 - 12h30

**UPCOMING TARGETS FOR SEPSIS MANAGEMENT: BEYOND ANTIBIOTICS.**

Ricard Ferrer

**MODERATOR:** Nuno Príncipe

12h30 - 13h00

**THE FUTURE OF THE IIS AND GIS.**

João Gonçalves Pereira | Márcio Borges Sá
